proceeds will go for the cobalt machine. The bake sale will be held at Kings and at Wilbun's Super Market beginning at 9:00 a.m. Cakes, pies, candy and other baked items will be offered for sale so why not come out and get your desert for Mother's Day or just for "plain good eating."

The car wash sponsored by the same Appomattox Garment Factory girls, weather permitting, will begin at 10:00 a.m. and continue until 2:00 p.m. on Saturday and will be held at Fidelity National Bank - Hillcrest Branch.

Please support both these projects. The donation will be given in the name of a fellow employee who has cancer and to receive needed treatments has to go to the University of Virginia Hospital in Charlottesville.

Cancer can hit any one of us and at any time. Let's all try to help conquer this deaded disease, let's all support the bake sale and the car wash and know that the money will be going for a good cause . . . to help finance a cobalt machine!

Title 1 Advisory Council Met

Cont'd from Page 1

and Mr. Lloyd G. Walton, Division Superintendent.

The group met at the Appomattox Primary School and had a delicious lunch in the cafeteria which was arranges by Mrs. Torrence and served by Mrs. Annie Laurie Babcock and her staff.

After the lunch the group of the development moved to the library where the following items of business were discussed:

1. A review of the development of the Title I program in the County school system since the time it was begun in 1965.

2. A review of the specific aspects of the program for the 1973-74 school session.

3. Problems encountered relative to planning for effective use of Title I money.

4. A review of plans for Title I activities during 1974-75.

It was pointed out that Title I activities for 1974-75 would relate primarily to reading and mathematics for those students who are identified as eligible to participate in the program. Title I teachers will assume responsibility for the programs within the target schools. The teachers will be assisted by teacher aides. Members of the group suggested that consideration be given to health services for Title I students. This suggestion will be considered by the staff as the program for 1974-75 is developed.

Following the meeting Mrs. Torrence conducted a tour of the building to give the committee an opportunity to observe Title I activities. The group saw Mrs. Paulette working with a small group of students in reading. They also observed teacher aides working with Title I students on reading and mathematics activities directed by the regular classroom teachers.

The group expressed considerable interest in the Title I program and raised many pertinent questions related to Title I and to the regular program.

The group was informed that it may be necessary to call the group together once more during this school session to review the proposed program for the 1974-75 session.

The superintendent expressed appreciation to the members of the committee for their suggestions and comments and for the willingness of the members to serve on the Advisory Council for another year.

The meeting was adjourned, after which members had an opportunity to continue to talk with staff members and other personnel within the school.

Information Center Opens

link between people and answers," said Mrs. Chuchek. "You'd be surprised at how many people have needs and do not know what resources are available to them.

"We hope to supply the needed information to everyone who calls. If we happen not to have an answer, we'll do research and get back in touch with the caller."

Being a link between people and the services they need is the Center's purpose. It is not necessary for a caller to give his name. The Information and Referral Center is designed to be helpful and confidentiality is vitally important.

"Many people want to know if we are a 'crisis' center," Mrs. Chuchek mentioned. "We are not that at all. We offer information and referrals. Here's what I mean: if you call and ask where you could borrow a pair of crutches for two weeks, we can tell you of one or two places."

"In other words, we supply information about where you can borrow a pair of crutches, not the crutches," she said.

The Information Center invites any person or group in Appomattox County to let them know what services they offer. The Center maintains a central file for referral purposes.

Mrs. Chuchek concluded, "352-7333. Call us when you need information. We'll do our best."

"THE SON OF MAN HAS AUTHORITY ON EARTH TO FORGIVE SINS"

Matthew 9:6

Behold one of the great Physician's mightiest arts: He has power to forgive sin! While He lived below, before the ransom had been paid, before the blood had been sprinkled on the mercy-seat, He had power to forgive sin.Has He not power to do it now that He has died? What power must dwell in Him who has faithfully discharged the debts of His people! He has boundless power now that He has finished transgression and made an end of sin. If you doubt it, see Him rising from the dead! behold Him in ascending splendor raised to the right hand of God! Hear Him pleading before the eternal Father, pointing to His wounds, urging the merit of His sacred passion! What power to forgive is here! "He is exalted on high to give repentance and remission of sins." The most crimson sins are removed by the crimson of His blood.

At this moment, dear reader, whatever your sinfulness, Christ has power to pardon, power to pardon you, and millions such as you are. He has nothing more to do as to your pardon; all the atoning work is done. He can, in answer to your tears, forgive your sins today, and make you know it. He can breathe into your soul at this very moment a peace with God which passes all understanding. Do you believe that? I trust you believe it. May you experience now the power of Jesus to forgive sin!

In Memoriam

Mrs. Janie Roberts entered into eternal rest one year ago May 17.

Tenderly I cared for her
Trying in vain to restore her health,
And prayed that she might longer stay,
Which to me meant more than wealth.
No one knows the silent heartache
Only those who have lost can tell,
Of the grief that is borne in silence,
For the one I loved so well,

Sadly missed by
Brother, Andrew Moser Goin &
And the family.
